

ALWAYS IN MY HAND lyrics and chords

Am----Em----G----B----Am----Em----G----B----

--Am-----Em-----
I know I'm not the only one looking side-eyed at what we've become

--G-----B-----
I know I'm not alone, I'm not the only one who's lost

----Am-----Em-----
In a world that's a virtual substitution, connection is just an illusion

--G-----B-----
I bought in before I understood the cost,

----G-----B-----
yeah I bought in before I understood the cost

-----C-----G-----
And it's always in my hand, a little world at my command

-----B-----Em-----
And I think I'm choosing what I see, but what I see is choosing me

-----C-----
And we'll go down in flames for our hubris,

-----G-----
cuz we never said "wait, should we do this?"

-----B-----
We got owned while we thought we were playing

-----Em-----
and it's listening to everything we're saying

Am----Em----G----B----
Ah-ah-ah oo-ooo

-----C-----
I don't feel good at the end of the day,

-----G-----
have a couple drinks try to push it away

-----B-----
Sometimes I feel like there's nothing left,

-----Em-----
yeah I used to have hope, now I'm bereft

-----C-----
But I can't figure out what I'm lacking,

-----G-----
so I'm smokin some weed and I'm snacking

B-----Em-----
Trying to to fill up the space inside me that feels erased

Am----Em----G----B----
Ah-ah-ah oo-ooo

C-----G-----B-----
I don't want to put you down, I like when you're around

-----Em-----
I don't know what I'd do without you

--C-----G-----B-----
I can't remember life before, I must have been so bored

-----Em-----
Whatever did I do without you

C-----G-----
Always in my hand, a little world at my command
B-----Em-----
Everything I want to know and every place I'll never go
-----C-----G-----B----Em-----
Yeah you're always in my hand, a little world at my command

-----Am-----Em-----
But, I know I'm not the only one looking side-eyed at what we've become
